OUR GUIDE

MISS HALLOWELL

We wish to extend our "Thanks" to Miss Essie V. Hallowell for the undivided and patient guidance which she has given our class. We realize that she has put forth much effort in helping us overcome the difficulties that have confronted us during our high school years; and for this, Miss Hallowell, we sincerely say, "Thank you, for a job well done."

DEDICATION

You have so nobly done your part,
Sacrificing so much with all your heart,
Cooperating with teachers our characters to mold,
That we might reach the highest goal.
We thank you for your patience, efforts and time,
And your enthusiastic spirit all so fine.
And down through the fleeting years to come
May we reward you with achievements won.
And--as you face the setting sun,
May God bless you for all you've done.

GOLDEN OPPORTUNITIES AT P. H. S.

The forty-niners of a century ago showed almost unbelievable courage and determination in seeking the thing that was uppermost in their minds: GOLD! We, the forty-niners of today at P.H.S. are not seeking gold in the sense of riches, but golden opportunities which we may obtain through higher education. We and those who must follow us must continue the search for golden opportunities of the future.

JIM DeSHONG

Jim, a dependable senior, is always ready to scrap for the ball. He will be remembered for his determined spirit. Good luck, Jim.

CHARLES HOPPES

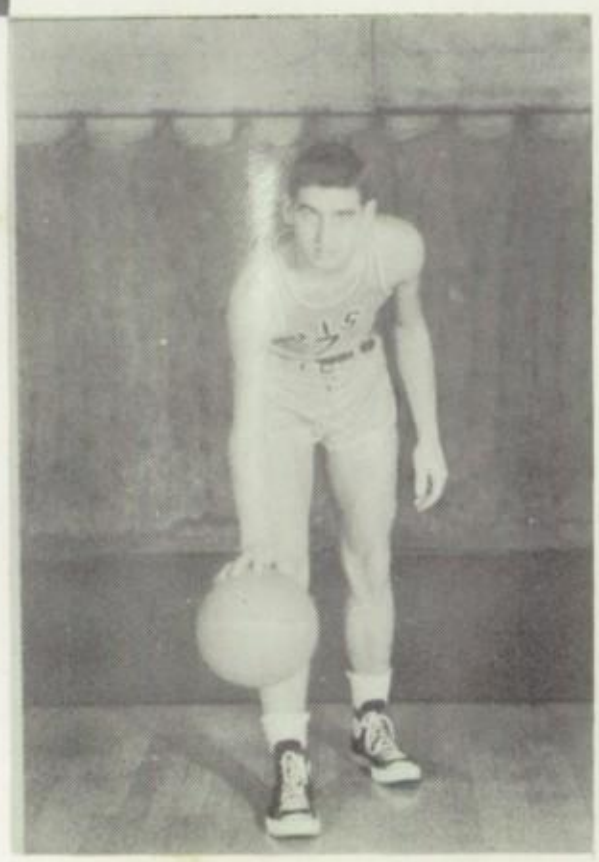
"Hoppie," always rough and ready on rebounds, has been with the varsity for the last 2 years. His die-hard spirit will not be forgotten. Loads of luck, Charles.

JUNIOR HOWARD

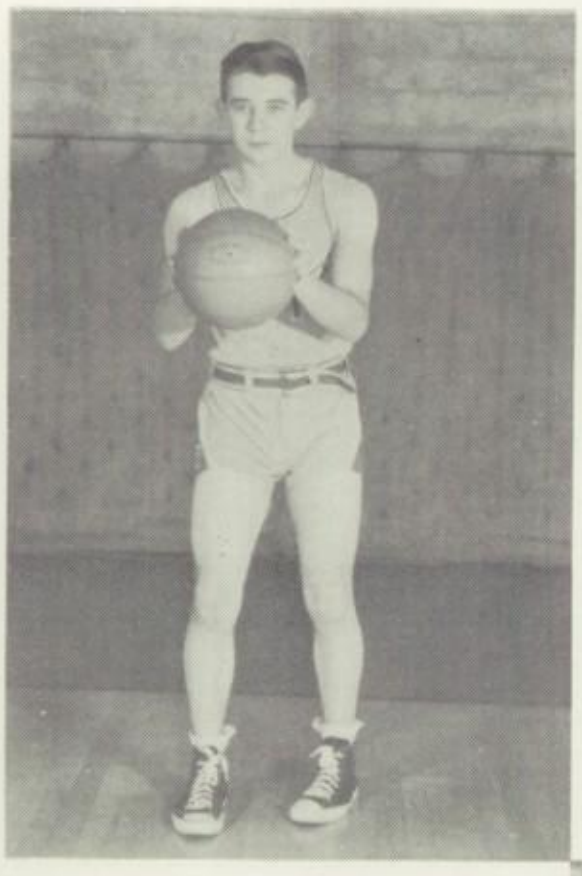
"Curley", a hard working junior has made a good showing this year. His long shots will be well worth watching next year.

DON GORDON

Don, a good-natured junior, is noted for his good sportsmanship and dependability. Keep your eyes on Don next year.

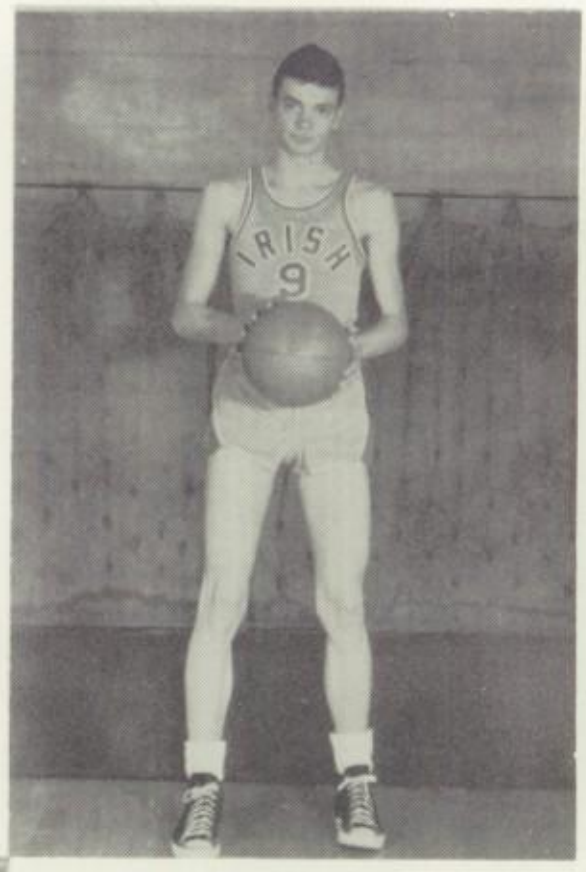


VARSITY



JOE KEESLING

Joe's work as a defense man will prove to be valuable in the coming season. We are counting on him next year.



JACK MILNER

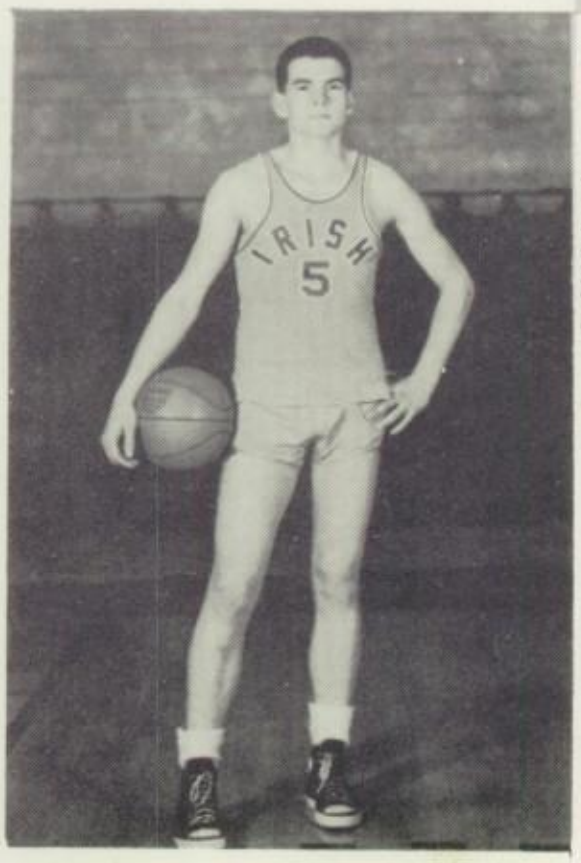
Jack, an indispensable junior center, has been on the varsity one year. His hard work in the pivot position should prove very effective next year.

ROBERT TAYLOR

"Big Bob," a lanky junior, is a "go-getter" and a valuable asset to the team. We are expecting big things from him next year.

JIM WILSON

Jim has shown himself to be a good team man. He should prove to be a strong link in the team next year as a senior.



REECE ROGERS

America needs what the Graduating Class of '49 has to offer

America needs your intelligence, your ability to think problems through.

America needs your tolerance, your ability to work in harmony with people of all creeds, races and religions.

America needs your spirit of competition and fair play, your determination to work and get ahead by your own efforts.

These are qualities which are always "in demand" because they are the basis of American democracy.

Delco-Remy extends its best wishes to the Class of '49.
